

‘Keeping it Legal’ YAHR Workshop

This workshop is being organised in response to members’ requests. It should be of interest for **ALL u3a Trustees** and possibly other interested volunteers in the Yorkshire and Humber Region.

We have two expert speakers from the Third Age Trust and we will include: **Safeguarding, Data Protection, Accessibility, Complaints, Copyright and Insurance**. Not ‘fun’ topics, but very important for us all to get right. New Trustees are especially encouraged to come along to get an overview of these issues and to network with colleagues across our region.

**10.30 – 3.00pm Friday 21st February 2025
at St George’s Conference Centre, Great George Street,
Leeds LS1 3DL**

To ensure that we cover your most pressing issues, it would be helpful if you could e-mail Angie Grain (events@yahru3a.uk), indicating any issues/problems/ideas you have that you would like to be included.

The event is **FREE** to attend as it is to be funded by the Third Age Trust.
A simple buffet lunch will be provided.

Registration and coffee from 10.00am. The event will close at 3.00pm.

DIRECTIONS TO ST GEORGE'S CENTRE.

This is a city-centre location within relatively easy reach of public transport.

According to Google Maps it is about 14 minutes' walk from the Leeds mainline station to St George's Centre. (If you walk to the back of Leeds Town Hall – with a VERY large clock tower - and then turn left on **Great George Street**, pass the old Victorian part of the Infirmary on your right, then pass St George's church again on your right and the Conference Centre is just behind the church. (If you get to the bridge over the Inner-City Ring Road – you've gone too far – turn back!)

As parking is limited (and expensive) in any city centre, it is best to avoid bringing your car. If necessary, you can find parking via Google, perhaps The Light is the nearest.

For travel directions please see:

<http://www.stgeorgescentreleeds.org.uk/find-us.html#>

NB – If you Google 'St George's Centre, Leeds – there are TWO of them – check you have the Conference Centre on Great George's Street, not the NHS one in Middleton.

ACCESSIBILITY - Our meeting room and the toilets are the ground floor and should be fully accessible. If you need permission to use their own (very limited) disabled parking space please send an e-mail, including your car make & model and registration number, to Angie Grain to arrange it for you.
