

Recruitment and Retention Workshop

July 15th 2026

**10:00 for a 10:30 start, ending at 15:00, lunch included, no

Venue: St George's Centre, Great George Street, LEEDS, LS1 3DL

Recruitment and retention of members and committee members is a perennial challenge for u3as. The workshop will explore this topic and hopefully you will leave with good ideas to try in your u3a. You are encouraged to come ready to share what has and has not worked for your own u3a. We learn from listening to each other.

The event will be led by Nick Linney, Senior Training and Volunteering Officer at the Third Age Trust.

It is open to all u3a members in the Yorkshire and Humber Region.
