

YAHR Summer School 2026

This was held at Hawkhills Conference Centre, Easingwold in August.

We had 10 courses, 10 tutors and 127 delegates at this event, which was enjoyable, instructive and great fun. We certainly did live, learn and laugh.

This year saw 2 'firsts': all the residential places were booked by the first week in February and there were no cancellations along the way. So, if you're planning to join us in 2027 send your application in promptly.

The courses were varied in topic and the evening entertainments were enjoyed. The venue is always praised for its setting, comfort, food and staff.

Stained Glass Group

Improvised Drama

Whodunit? Crime Fiction

Thanks go to the tutors, the delegates, the venue staff and all who helped to make this a success.

The dates for next year are 23rd - 26th August 2027. Planning started in September '26 and we hope to have the details and application forms on the YAHR website by late November.
